

**Healthcare Financial Management Association
Southern Illinois Chapter
Vision, Mission and Values**

Chapter Vision

The Southern Illinois Chapter hfma will continue to be the leading professional resource for individuals seeking excellence in the financial management of integrated health systems and other healthcare organizations.

Mission Statement

Our Chapter's commitment is to provide high quality, economical and accessible education necessary for professional growth. Participants have the opportunity to network with peers, influence public and legislative policy and excel in their careers within hfma. Our chapter provides member development through education, certification and leadership training. The chapter promotes the highest standards of professional and ethical conduct.

Values of hfma

We aspire to:

- Serve our members – our highest priority
- Pursue excellence in all we do
- Promote quality management and teamwork
- Recognize individuals for their contributions
- Treat everyone with respect, dignity, and fairness
- Act in a financially responsible manner
- Establish and foster the highest standards of professional and ethical conduct
- Value and respect diversity
- Add innovation and creativity
